

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENERGY CORP.)	CASE NO.
FOR AN ADJUSTMENT OF RATES)	2004-00446

O R D E R

On November 15, 2004, Kenergy Corp. (“Kenergy”) filed a notice of intent to file a rate case, together with a request to use an abbreviated form of published notice of its proposed rates. Kenergy included with the request a copy of the proposed notice. The Commission, having considered the request and draft notice and being otherwise sufficiently advised, finds that Kenergy has not shown good cause to use its proposed abbreviated form of notice.

807 KAR 5:001, Section 10(3)(a)(b) and (c), requires the notice to disclose: (1) the amount of rate change requested in both dollars and percentage for each customer class; (2) the present and proposed rates for each customer class; and (3) the effect upon the average bill for each customer class. While the abbreviated form of notice proposed by Kenergy sets forth certain required information, it places the burden on the customers to request a schedule of the proposed rate changes in order to make an informed decision on whether to intervene or object. In addition, Kenergy has made no showing that it is unable to include the above-cited information in the notice, nor has it shown that including such information would be unduly burdensome or result in excessive costs.

IT IS THEREFORE ORDERED that Kenergy's motion to use an abbreviated form of notice is denied.

Done at Frankfort, Kentucky, this 24th day of November, 2004.
